

JUSTA GUY RELEASES NEW ALBUM THE FAUN

American Recording Artist | Producer - Justa Guy, announces the release of his new album, **The Faun**, which is available on all major digital distribution services including Apple Music. This new album is self-published and distributed worldwide

The Faun has ten new songs that were recorded between January to September of 2023 at **his home studio** in New Jersey. These ten new tracks are a collection of pop songs mixing elements of reggaeton, synth pop, indie pop & other pop subtypes .

“

“Writing pop songs for a baritone is challenging and it hasn't been done in a long time and this was one of my motives to do this project.”
His aspiration is that "The Faun" adds another texture to the pop music landscape.
